GOVERNOR'S VETOES

6

S.B. No. 701—Jones.

An act relating to firearms.

Vote required: 27

To the Members of the California State Senate:

I am returning Senate Bill 701 without my signature.

This bill would reorganize statutes governing the prohibition of firearm possession due to an outstanding warrant when the person has knowledge of the warrant. Additionally, this bill would reduce the penalty for violating this prohibition.

Current law requires knowledge that a warrant has been issued before a prohibition on possessing a firearm applies. Further, I believe existing penalties provide the necessary tools to protect public safety and allow for needed discretion to impose appropriate penalties when justified.

Sincerely,

Gavin Newsom

S.B. No. 303—Wieckowski.

An act relating to guardians and conservators.

Legislative Counsel's Digest of Assembly Amendments

SB 303, as it passed the Senate, among other things, authorized a court to order the sale of a conservatee's present or former residence only if the court finds, by clear and convincing evidence, that the conservator demonstrated a compelling need to sell the residence for the benefit of the conservatee. SB 303 prohibited compensation to a guardian, conservator, or attorney with any government benefits program moneys designated for the ward or conservatee, unless specifically authorized pursuant to other provisions of law.

The Assembly amendments, instead, prohibit compensation to a guardian, conservator, or attorney with any government benefits program moneys unless deemed by the court as necessary to sustain the support and maintenance of the ward or conservatee. The Assembly amendments additionally require a conservator to notify the court of a proposed sale of a conservatee's present or former residence before the conservator commits any significant resources to the proposed sale, except as specified, and further require the conservator to provide the court with additional information about the sale. The Assembly amendments also delete the authority of a court to waive certain requirements for a sale of the conservatee's personal residence, including the requirement for a conservator to obtain an appraisal.

Vote: 21. Substantial substantive change: yes.

S.B. No. 586—Roth.

An act relating to community colleges.

Legislative Counsel's Digest of Assembly Amendments

SB 586, as it passed in the Senate, required the governing board of a community college district and the governing board of a school district or the governing board of a charter school providing career technical education pathways under a College and Career Access Pathways (CCAP) partnership, as a condition of, and before adopting, a CCAP partnership, to consult with the appropriate local workforce development board for a specified purpose.

The Assembly amendments require the governing board of each district, as a condition of, and before adopting, a CCAP partnership providing career technical education pathways to also consider the input of the appropriate local workforce development board for the same specified purpose.

The Assembly amendments, instead of a requirement under existing law that the governing board of each district present a proposed CCAP partnership agreement at an open public meeting of the board and, at a subsequent open public meeting of the board, take comments from the public and approve or disapprove the proposed agreement to instead require the governing board of each district to present, take comments from the public on, and subsequently approve or disapprove the proposed agreement at an open public meeting of the board.

The Assembly amendments extend the operation of the CCAP partnership provisions for 5 years.

S.B. No. 223—Hill et al.

An act relating to pupil health.

Legislative Counsel's Digest of Assembly Amendments

SB 223, as it passed the Senate, authorized the governing board of a school district, a county board of education, or the governing body of a charter school maintaining kindergarten or any of grades 1 to 12, inclusive, to adopt, at a regularly scheduled meeting of the governing board or body, a policy that allows a parent or guardian of a pupil to possess and administer medicinal cannabis at a schoolsite to the pupil who is a qualified patient entitled to the protections of the Compassionate Use Act of 1996. SB 223, as it passed the Senate, authorized that policy to be rescinded for any reason at a regularly scheduled meeting, and provided that pupil records collected for the purpose of administering medicinal cannabis are confidential, shall be used only for the purpose of administering medicinal cannabis, shall not be open to the public for inspection, and shall not be disclosed for any reason, except as required by a state or federal court order. SB 223, as it passed the Senate, excluded medicinal cannabis in a smokeable or vapeable form from the term “medicinal cannabis” for purposes of the bill.

The Assembly amendments revise the authorization to rescind that policy to instead authorize that policy to be amended or rescinded for any reason at a regularly scheduled meeting and for exigent circumstances at a special meeting. The Assembly amendments delete those pupil records provisions and instead require, for pupil records collected for the purpose of administering medicinal cannabis, those records to be treated as medical records and to be subject to all provisions of state and federal law governing the confidentiality and disclosure of medical records. The Assembly amendments additionally exclude cannabis products in a smokeable or vapeable form from the term “medicinal cannabis” and define “cannabis” and “cannabis products” for purposes of the bill.

The Assembly amendments additionally extend until January 1, 2021, the authority for this specified special election to be conducted as an all-mailed ballot election.

An act relating to public contracts.

Legislative Counsel's Digest of Assembly Amendments

SB 128, as it passed the Senate, authorized a public financing authority, as defined, to issue bonds to finance public capital facilities and other specified projects of communitywide significance without submitting a proposal to the voters and required a resolution to issue the bonds to contain specified information.

The Assembly amendments delete those provisions and, instead, authorize the County of Santa Clara and the County of Monterey to participate in an existing pilot program authorizing specified counties to select a bidder on the basis of best value, as defined, for certain construction projects. The Assembly amendments also extend the operation of the pilot program until January 1, 2025.

The Assembly amendments instead authorize Glendale Community College's governing board, pursuant to a specified memorandum of understanding, to provide that April 24 shall be a Glendale Community College holiday known as "Armenian Genocide Remembrance Day."

220

S.B. No. 240—Dodd.

An act relating to insurance, and declaring the urgency thereof, to take effect immediately.

Legislative Counsel's Digest of Assembly Amendments

SB 240, as it passed the Senate, required a nonlicensed insurance adjuster to complete a training before adjusting a claim in connection with a declared emergency, required the Department of Insurance to annually prepare and deliver to every Insurance Adjuster Act licensee a notice describing the most significant California laws pertaining to property policies, exempted a nonlicensed insurance adjuster from the requirements of the Insurance Adjuster Act if they certified, under penalty of perjury and within 15 working days of beginning claims adjusting in California, that they read and understand the most recent significant law notice from the department and that they completed a training program, and required registration of a nonlicensed insurance adjuster in connection with a declared emergency to include a self-certification, under penalty of perjury, that they read and understand the most recent significant law notice from the department and that they completed a training program.

The Assembly amendments instead require the department to annually prepare and deliver a handbook for adjusting in California, in addition to the most recent significant law notice; require a licensee or insurer to register a nonlicensed, nonemployee insurance adjuster no later than 15 calendar days from the date on which the adjuster began claims adjusting activity in California in connection with a declared emergency; require a supervising licensed adjuster or manager to ensure their registered nonlicensed adjusters and employee nonlicensed adjusters have read and understand the most recent significant law notice and adjusting handbook no later than 15 calendar days from the date on which the adjuster began claims adjusting activity in California after a declared emergency; require a registered nonlicensed adjuster, under penalty of perjury, to certify that they have read and understand the notice and handbook no later than 15 calendar days from the date on which the adjuster began claims adjusting activity in California in connection with a declared emergency; and require the Insurance Commissioner to make the notice, handbook, and the certification process accessible on the department's internet

website. The Assembly amendments additionally waive an insurance adjuster licensee's application filing fee during military service, maintain an insurance adjuster's license in force during military service, and declare that the bill is to take effect immediately as an urgency statute.

221

S.B. No. 413—Rubio et al.

An act relating to the San Gabriel Water Quality Authority.

Legislative Counsel's Digest of Assembly Amendments

SB 413, as it passed the Senate, revised provisions of the San Gabriel Basin Water Quality Authority Act to, among other things, require the San Gabriel Basin Water Quality Authority to update its basinwide groundwater quality management and remediation plan annually and incorporate a status report on activities undertaken by the authority pursuant to the plan. SB 413 required the status report to contain certain elements, such as a description of the manner in which projects are prioritized and selected for funding and the manner in which contractors are selected.

The Assembly amendments revise an element of the status report to require the authority to include identification of projects in disadvantaged communities and those which further the human right to water. The Assembly amendments also make technical changes to reflect the last amended form of the act and other nonsubstantive changes.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—38. NOES—0.)

222

S.B. No. 436—Hurtado.

An act relating to child abuse.

Legislative Counsel's Digest of Assembly Amendments

SB 436, as it passed the Senate, authorized a child abuse multidisciplinary personnel team to include a representative of a local child abuse prevention council or family-strengthening organization, including, but not limited to, a family resource center, as defined, or a First 5 county commission, and added other references to First 5 county commissions to related provisions. SB 436, as it passed the Senate, among other things, required an applicant agency for funding for child abuse and neglect prevention and intervention programs to demonstrate participation in, or connection to, a locally defined system of care, and required that priority be given to not only private, but also public, nonprofit agencies, as specified.

The Assembly amendments remove the references to First 5 county commissions and delete the above changes to the criteria for applicant agencies. The Assembly amendments make legislative findings relating to, and make certain changes to the definition of, family resource centers.

Vote: 21. Substantial substantive change: yes.

(Final vote in the Senate: AYES—38. NOES—0.)

223

S.B. No. 740—Mitchell.

An act relating to insurance.

Legislative Counsel's Digest of Assembly Amendments

SB 740, as it passed the Senate, established the Unclaimed Life Insurance and Annuities Act that, among other things, required an insurer to compare all in-force policies, annuity contracts, and retained asset accounts and policies that have lapsed against the complete Death Master File to identify potential matches of its insureds, but made the comparison requirement apply only to in-force policies if an insurer entered into a regulatory settlement agreement with the Department of Insurance regarding claims handling practices and the use of the Death Master File or if the insurer received a targeted market conduct examination report issued by an insurance regulator and the report did not find any violations of the law.

The Assembly amendments instead exempt in-force policies from the comparison requirement if an insurer meets one of the conditions described above.

Vote: 21. Substantial substantive change: yes.

S.B. No. 790—Committee on Governance and Finance (Senators McGuire (Chair)) et al.

An act relating to taxation.

Legislative Counsel's Digest of Assembly Amendments

SB 790, as it passed the Senate, clarified the circumstances in which the Franchise Tax Board would be required to grant a partnership's request to make an election under state tax law to report federal income tax audit adjustments different from its election made under federal income tax law as follows: (1) in the case of a partnership with a federal election for alternative payment, which requires adjustments to be taken into account by the partners, provided that the partnership properly computes the amount of the in-lieu tax due and (2) in the case of a partnership with adjustments that result in an imputed underpayment under federal income tax law, provided the partnership is able to demonstrate to the Franchise Tax Board that the Franchise Tax Board's ability to collect any state income or franchise taxes would not be impeded and the partnership properly follows specified reporting provisions.

The Assembly amendments revise the description of partnerships eligible to make a differing state election in a manner that is more consistent with how those partnerships are described in that federal income tax audit adjustment law.
